

Century Wheel Must be at least 18 to ride alone & 42" or taller

The **Century Wheel** dominates the Midway day and night, offering patrons a sweeping view from a height of nearly 70 feet! Passengers are seated in separate gondolas and then whisked smoothly over the top and down again, reminiscent of the ferris wheel.

Himalaya Must be 54" alone or 54" with an adult

You won't have to make the trek to the snowy slopes of the Swiss Alps to experience the rush of a toboggan ride. See the fair in a blur as the fabulous **Himalaya** takes you on a fast, up-down-around trip faster and faster, then backward too.

Zipper Must be 52" alone or 52" with an adult

The **Zipper** has been one of the Midway's most recognizable attractions for years, providing thrills to riders from teens to adults. There's more spinning going on with the Zipper than an out of control top. While the 'cages' holding two passengers each rise and descend on a tower boom, each spins independently and the entire boom turns, too. Three times the action, backed by spectacular lighting bringing them back for more.

The Viper Must be 44" alone or 44" with an adult

The Viper ride is a colossal ride with large arms across the entire top of the ride that tilt and spin. At each end of the giant arm are 2 clusters holding 2 part seating which spin independently as well.

The Gravitron Must be 48" alone or 48" with and adult

The lights and excitement of the midway literally become a blur as **Gravitron** sweeps you off of your feet. Spinning at 24 RPM, The Starship 3000 uses centrifugal force to float the passengers off the floor, giving them the feeling of weightlessness.

Carousel Must be 42" alone or 36" with an adult

This 38 foot Americana Themed Carousel features 36 jumping horses, and 2 chariots. Parents and children create memories while they enjoy the sights and sounds of this beautiful ride together!

Tornado Must be 48" alone or 44" with an adult

The Tornado has 8 uniquely designed spherical passenger vessels each with a capacity of 4 persons. Each vessel includes a centrally located steering wheel which enables the passengers spin the cars themselves. The Tornado lifts 7 1/2 feet into the air and tilts 20 degrees for a terrific ride sensation.

Eagle 16 Ferris Wheel Must be 46" alone or 42" with an adult

A staple of the American Midway, this 16-seat ferris wheel has eight front facing cars holding two riders in each. It offers both a gentle ride around the 360-degree vertical circle and a thrilling view, as riders are lifted high above the ground and able to see for miles.

Scrambler Must be 48" alone or 36" with an adult

Zig and zag your way to an amazing time on the **Scrambler**. Families delight as they spin in two directions at the same time. The main frame spins as each arm of seats spins independently, creating a feeling of funky flight.

Slide Must be 42" alone or 36" with an adult

Kids of any age enjoy the thrill of this giant slide as they sail down the undulating path. Passengers climb a stairway, higher and higher to the top of the slide and then laugh and squeal with delight as they sail to the bottom.

Jumping Jumbos Must be 42" alone or 36" with an adult

Adding yet another humorous touch to the Midway are our **Jumpin' Jumbos**. This cadre of eight comedic elephants rise into the air and then gently descends while rotating from a center tower.

Rock N Tug Must be 42" alone or 36"

The Jungle ride is sure to be an all time favorite! The features walk through punching bags, a cargo net climb, covered super slide and many more features will keep the littlest of visitors wanting to come back for more

Berry Go Round Must be 42" alone or 36" with an adult

On the **Berry Go Round** 4 gigantic strawberries welcome children and parents aboard for a smooth ride. Passengers can move the ride at their own pace by turning a giant steering wheel inside the berry spinning themselves round and round while the entire ride revolves as well.

Kid Town Must be 42" alone or 42" with an adult

Kid Town attracts kids and adults of all ages on a walk through a funhouse with many exciting obstacles. Kid Town also has a video camera set up on the inside that the kids can stand in front of and they will appear on the screen on the front of the ride for all to see.

Dragon Wagon Must be 36" - 54" alone no adults

The Dragon Wagon is a tyke size coaster. A dragon holds two children in each of its segmented body. Hold on tight while coasting along the track with exhilarating dips and the wind in your hair. This is a perfect first timer coaster ride.

Roadsters Must be 36" - 54" alone - no adults

Get your little motor runnin' on this high-octane kiddy ride. The Roadsters are shaded under an umbrella and they travel in a 360 degree rotation. This ride will bring out the little grease monkey in any child!

Train Must be 42" alone or 36" with an adult

All aboard!! This fun-filled train trip for the whole family takes place in brightly colored cars. Passengers board the train at the station and with merry music, and bright scenery, the journey begins around a circular track. Fun for everyone is in store on the train.
